REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Joanna-Woodson Elementary School celebrated another successful school year during which our high quality staff provided students a variety of opportunities to increase in academic achievement.

This was our first year to participate in the Teacher Advancement Program (TAP). Our teachers participated in staff development, which focused on problem solving using model drawing in math and Question-Answer Relationships in ELA.

Our PACT scores for 2007 reflected growth for our school. We met 15 out of 15 objectives to make Adequate Yearly Progress. Joanna-Woodson also received an award from the South Carolina Oversight Committee for our accomplishments in closing the achievement gap through the exemplary 2007 PACT performance of historically underachieving students.

We have upgraded technology in the building and look forward to having SMART BOARDS in every classroom for the 2007-2008 school year.

Each year we celebrate our successes, but also look for ways to improve. With the continued dedication of teachers, staff, parents, students, and community we feel confident in our ability to maximize the learning of all students who are a part of the Joanna-Woodson family.
